UPAKEXPO 2014

Ausstellung – Moscow (Moskva), Russland

Bearbeitet von am 22. Nov. 2023

"International Exhibition of Packaging, Printing and Filling Technologies"

upakovka exhibition from year to year confirms the status of the key event of the packaging industry in Russia and the CIS countries. The project is transforming to a new reality and moving on to the next stage of development, continuing its successful work under UPAKEXPO brand. UPAKEXPO is an effective b2b platform for business promotion, exchange of experience and information about current trends and modern equipment in the packaging industry.

International specialized exhibition of packaging, printing and filling technologies. UPAKEXPO will be held from January 23 to January 26, 2024 at the EXPOCENTRE Fairgrounds (Moscow).

UPAKEXPO is a meeting place for both domestic and foreign manufacturers and suppliers of packaging equipment, finished packaging, packaging materials, various technological solutions, as well as from other related areas that make up the entire chain of packaging production and processing.

The exhibition is held in parallel with the international specialized exhibition of plastics and rubber RUPLASTICA.
