"Europe's leading Packaging and Drug Delivery Event"

Pharmapack is the European hub for the pharma packaging and drug delivery device industry. Taking place annually in Paris, the event unites over 5,000 attendees and more than 300 exhibitors for two days of innovation, networking, and education. Join us in Paris to connect with other pharma professionals and expand your network at the heart of pharma.

Launched in 1997, Pharmapack is the leading European event for Pharmaceutical Packaging, Drug Delivery, Medical Devices and Machinery. In the past 25+ years, the event has grown from a conference with a small table-top exhibition, to an event hosting 300+ exhibitors and welcoming attendees from 75 different countries.
