AGROMashEXPO

Ausstellung – Budapest, Ungarn

Bearbeitet von am 22. Nov. 2023

"Agriculture is here"

AGROMashEXPO is regarded as Hungary's leading agricultural fair and provides visitors with a variety of products and innovations through a wide range of exhibitors.

A large proportion of exhibitors presenting new machines, techniques, practices and innovations in the fields of agriculture and agricultural machinery. The fair is an important industry gathering, and thus serves as an ideal opportunity for knowledge transfer and networking.
