"Mining and Exploration Forum: Sustainable Development of Mining and Exploration in Kazakhstan Prospects and Challenges "

The leading international Forum dedicated to the development of the mineral resources and modernisation of the mining industry of the Republic of Kazakhstan and Central Asia.

MINEX Forum has been held in Kazakhstan since 2010 and is one of the most impactful industry events in the Central Asian region.

The Forum offers opportunities for presentation and discussion of key trends, projects, and technologies in the mining and geological industry in Kazakhstan and the countries of the Central Asian region.
