EXPOSOLIDOS 2024

Konferenz & Ausstellung – L’Hospitalet de Llobregat (Barcelona), Spanien

Bearbeitet von am 1. Dez. 2023

EXPOSOLIDOS, Exhibition for the Technology and Processing of Solids- is the leading trade fair in southern Europe specialized in the handling and processing of solids, bulk materials, dry powder, semi solids and solids-liquid separation.

In EXPOSOLIDOS we promote networking because we consider that in a hyper connected world online, it is positive to meet those people with whom you do business and those who generate most of the information you need in your work.
