## **SOLIDS Dortmund 2024**

Ausstellung – Dortmund, Deutschland

Bearbeitet von am 4. Dez. 2023

"Trade fair for granules, powder and bulk solids technologies"

SOLIDS Dortmund is the meeting place for the entire bulk solids industry. Trade visitors meet national and international exhibitors who offer them solutions for their specific concerns. The trade fair focuses on the exchange of ideas and networks as well as business initiations between decision-makers and renowned companies.

The exhibition spectrum of SOLIDS Dortmund covers the entire value chain of process engineering for powders, granulates and bulk materials:
