"International Exhibition of Design, Technology for the Glass Industry"

Glass South America opens its doors for the 15th time from June 12th to 15th, 2024, at São Paulo Expo. The fair, which has been organized exclusively by NürnbergMesse Brasil, since 1996, is synonymous with tradition and innovation and is among the 3 biggest events in the glass sector in the world.

At Glass South America you will find the main names in the market that present technology and design for the civil construction, architecture and furniture industries, with the best in glass applications, machines, equipment, accessories and hardware.

For 2024 we are preparing an even more complete edition, in addition to the simultaneous E-squadria Show event, with exhibitors of doors, windows and facades, we will bring many other new features that will make your participation even more special.
