"International Exhibition for Pharmaceutical and Cosmetics Manufacturing and Packaging Technologies"

INTERPEHX JAPAN is Japan's largest exhibition for pharmaceutical and cosmetics manufacturing/packaging technologies. With 25 years of history, INTERPHEX JAPAN is known as the best business platform to network with industry top leaders from pharmaceutical and cosmetics industries in Japan and Asia. The show is held inside INTERPEHX Week Tokyo; Asia's leading comprehensive pharma and cosmetics event.

INTERPHEX Week Tokyo consists of 4 exhibitions for pharmaceutical technologies - INTERPHEX JAPAN (Manufacturing & Packaging), in-PHARMA JAPAN (APIs/ Pharmaceutical Ingredients), BioPharma Expo (Biopharmaceutical) and PharmaLab Tokyo: formerly BIOtech Japan (Drug Discovery). Exhibit at Asia's leading pharma show to expand your business!
