## **TOC Europe**

Konferenz & Ausstellung – Rotterdam, Niederlande

Bearbeitet von am 6. Dez. 2023

"Terminal Operations Conference & Exhibition for Europe "

With an unrivalled 40+ year heritage, TOC Europe is the place to learn from and network with the world's leading port decision-makers, policy experts, solution-providers and more underneath one roof, enabling you to both supercharge your strategies and make your port operation visions a reality.

Whether your focus is on adapting to the unpredictable economic climate or simply embracing the exciting new technologies revolutionising the sector, join us on the road back towards growth at the essential container supply chain event.
