"Exhibition for Process Equipment, Process Engineering and Process Automation "
The World of Industry, Technology & Science present the largest Industrial trade fair in the Benelux: the WoTS 2024. The WoTS 2022 was a great success with 15,073 visitors. Jaarbeurs Utrecht is the bustling heart of the Benelux from 24 to 27 September 2024. Together we join forces to show visitors the world of tomorrow.

Industry, technology and science join forces to show visitors the world of tomorrow. Register as an exhibitor, represent the chain, meet users of your technology, contribute to a strong content seminar program and show who you are. Your company should not be missed!
