"Processing & Packaging Machinery Showcase "

PPMA Show is the largest processing and packaging machinery exhibition in the UK. Showcasing the very latest in processing and packaging machinery, robotics and industrial vision systems, coupled with the latest innovations in materials, containers and packaging design.

It covers the full spectrum of the industry; including food, beverage, pharmaceuticals, household products and toiletries, building materials and supplies, pet care, micro-brewery and distilleries, FMCG, as well as contract packers and more.

Visitors also have the chance to network, source new ideas and solutions, and meet with potential new suppliers, influencers and technical experts, all under one roof.
