China Mining Congress & Expo

Kongress & Ausstellung – Xiqing Qu (Tianjin Shi), China

Bearbeitet von am 11. Dez. 2023

"Innovation promotes high-quality Development of Mining"

The China Mining Congress & Expo is the premier event for the international mining industry, bringing together top-level industry professionals from around the world. Held in Tianjin, China, the event offers exhibitors the opportunity to showcase their products and services to a global audience, and to network with industry leaders and decision-makers.

The event is held annually and provides a platform for the exchange of ideas and the sharing of best practices in the mining industry. Attendees can expect to learn about the latest technologies and trends, and to gain insight into the challenges and opportunities facing the industry. The event also offers exhibitors the chance to connect with potential customers and partners, and to gain valuable industry exposure.

The China Mining Congress & Expo is the perfect opportunity to explore the latest advances in the mining industry and to build relationships with key industry players. With an impressive lineup of speakers, exhibitors, and attendees, the event is sure to be a memorable one.
