SOLIDS Antwerp Processing & Handling

Ausstellung – Antwerpen, Belgien

Bearbeitet von am 12. Dez. 2023

"Trade show for granules, powder & bulk solids technologies"

On November 20 & 21, 2024, professionals in processing, storage and transport of dry bulk goods will come together to meet and do business during Solids at Antwerp Expo. There they will get a great insight into the future of process technology.

As a professional in the solids process industry, this is a crucial event:

- 125 exhibitors in processing, storage and transport of dry bulk goods
- Stay up-to-date during indepth sessions
- Discover the latest innovations in the powder and bulk industry during the innovation tour
