PTXPO - Plastics Technology Expo

Ausstellung – Rosemont (IL), Vereinigte Staaten

Bearbeitet von am 13. Dez. 2023

"PTXPO is a can't miss event for everyone involved in the A-Z of plastics manufacturing"

The Plastics Technology Expo is a trade show created to connect the entire North American plastics market under one roof. PTXPO features a robust, pavilioned exhibit hall, free education, and countless networking opportunities.

PTXPO is designed for the entire North American plastics market, featuring exhibits, education sessions and world-class networking opportunities.
