Powtech Technopharm 2025

Ausstellung – Nürnberg, Deutschland

Bearbeitet von am 14. Dez. 2023

"International Processing Trade Fair for Powder, Bulk Solids, Fluids and Liquids"
POWTECH acts as a gateway to the European market for powder, granule and bulk solids technologies and the handling and processing of fluids and liquids. As a driver of innovation in process engineering and analytics, it brings together international decision-makers from numerous industrial sectors in one place.

From the pharmaceutical, chemical, food and cosmetics sectors to the glass, construction material, paper and battery industries, it's where process technicians and engineers, production managers, scientists and bulk solids experts find cutting-edge solutions for size reduction, screening, mixing, conveying, dosing and granulating. The solution-driven, hands-on and passionate participants come together on an equal footing to work out solutions and experience the event as a community.
