Yangzhou FusionBMH Engineering Awarded TCC Reclaimers Modification Contract

Bearbeitet von am 3. Aug. 2021

Yangzhou Shi (Jiangsu Sheng), China –

TCC(Taiwan Cement Corporation) awarded the reclaimers modification contract to Yangzhou FusionBMH Engineering Co.,Ltd in Dec 2020. FusionBMH started modifying two bridge reclaimers and one side reclaimer for TCC Jurong plant in China at the start of 2021. FusionBMH focus on providing you the most professional and satisfying solutions for bulk material handling system.

After one month hard work FusionBMH completed the modification of two reclaimers for TCC successfully. During this period of time we upgrade the capacity of the reclaimers from 450tph to 600 tph.

1. Enlarge the size of the scraper.
2. Increase the chain speed
3. Replace the travelling drive system.
4. Replace the harrow.
5. Replace the hydraulic station for harrow drive.
6. Upgrade the electrical and control system.
