Powder & Bulk Solids Toronto 2023

Ausstellung – Etobicoke (ON), Kanada

Bearbeitet von am 30. Mai 2023

"Ontario's Only Dedicated Powder Show"

Powder & Bulk Solids at ADM Toronto is your chance to discover the industry's latest innovations, processes, and materials. From material handling to regulation and safety, silo and bin design to combustible dust hazards and mitigation, you'll find it all on the expo floor.

Powder & Bulk Solids at ADM Toronto goes beyond pneumatic conveying, dust collection, and pollution control. On the expo floor, representatives from automation technology, design and manufacturing, packaging, and plastics come together for a comprehensive event where you can discover solutions from a supplier you may not meet. More exhibitors under the same roof mean more chances to find solutions.
