Bedeschi: ONT wins Contract for Belt Conveyor System at Yanbu Port, Saudi Arabia

Edited by on 7. Dec. 2018

Limena (PD), Italy -

ONT, Part of the BEDESCHI Group, was commissioned by OCRIM with a new belt conveyor system for grain in Yanbu Port - Saudi Arabia. The order comprises a system of three belt conveyors with a width of 1400 mm and a length of 180 m+360 m+36 m transporting 1000 t/h grain from the client ship-unloader on the jetty to the existing storage bins.

The jetty conveyor will be equipped with a special, self-opening upper cover made of galvanized steel sheet.
