您在中国的最佳选择!

IPB是中国粉体和散装领域最具规模的国际性专业展会。它由中国颗粒学会、纽伦堡会展服务(上海)有限公司以及上海环球展览有限公司联合主办,并得到了纽伦堡POWTECH的鼎力支持。

IPB专注于发展中的亚洲粉体市场,已经成为业内展示产品,讨论创新成果以及进行真正贸易的平台。第七届国际粉体工业/散装技术展览会将成为一个绝佳的契机,为您创造与目标客户见面的机遇。

欢迎参加IPB 2009,我们将帮助您开拓市场!

Your successful entry into the Chinese market!

IPB is the largest and most specialized international trade fair in the whole field of powder, granule and bulk solids technology in China. With the strong support of POWTECH, Nuremberg, it is jointly organized by the Chinese Society of Particuology, NürnbergMesse China Co., Ltd. and Worldwide Exhibitions Co., Ltd.

IPB focuses on the rapid development of the growing markets in Asia. The 7th edition is an outstanding opportunity to give you the chance to meet your target group customers.

IPB has become the event for presenting and discussing innovations and for showing application oriented technologies.

We welcome you as our exhibitor to IPB 2009!

清晰的展品范围

粉体制备技术及基本工艺

颗粒粉碎、混合、分离、筛分、过滤、烧结、制粒和压块、固体粉体干燥等

工程设备及相关技术

计量投料、卸料、散料输送、仓储设备、真空装置、管道技术、回收设备、包装和填充、称重设备等

颗粒分析与表征

粒子分析、取样设备、实验室用仪器等

纳米颗粒技术

测量和控制技术

显示器、流量计、压力计、料位仪、过程控制等

安全环保技术

工业火警防护、电气防爆、非电气防爆、过程安全、排放控制、工作域安全等

相关服务

工程机关、科研机构、大学院校及技术出版社等

Clear product structure

Basic mechanical processing technologies

Size reduction, mixing, separating, screening, filtering, drying of powders and bulk solids

Plant engineering and processing components

Dosing, emptying, conveying, transporting, storing, vacuum plants, pipe technology, recycling plants, weighing, packaging and filling

Particle analysis and characterization

Particle analysis, sampling equipment, laboratory instrument

Nano particle technologies

Measurement and control

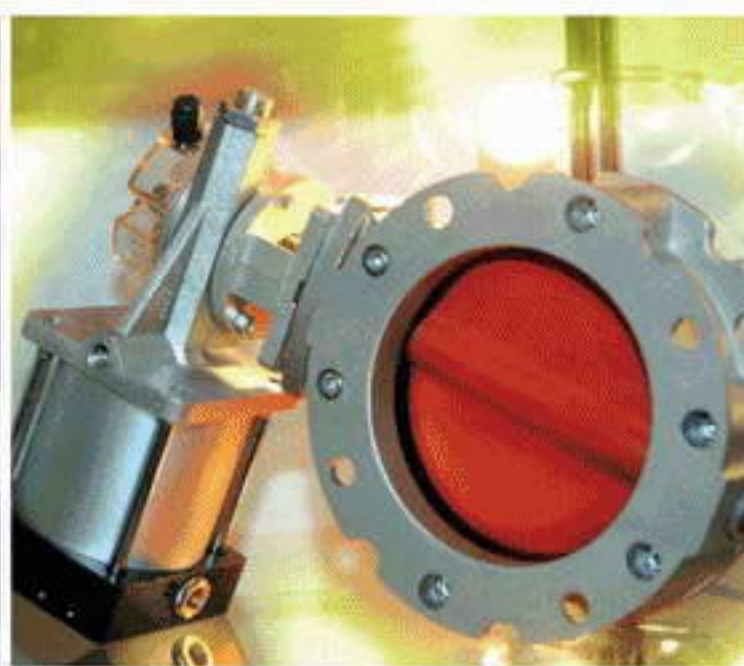

Displays, flowmeters, pressure gauges, level indicators, process controls

Safety and environmental technologies

Industrial fire protection, electrical explosion protection, non-electrical explosion protection, process safety, emission protection, workplace safety

Services

Engineering offices, research institutes, universities and technical publications

为您的企业腾飞助力

- 来自海内外粉体和散料领域合作伙伴的强大支持
- 展示亚洲最新技术成果和产品创新的平台
- 知名机械加工和分析仪器制造商的参与
- 直击行业需求迅速增长国家的采购者和专家
- 结合行业学术及应用会议为一体，专家助您解决疑难问题
- 高质量的展台布置和服务
- 我们全力维护您的知识产权

Our strength, your benefits

- Strong support from local and international partners in the field of powder and bulk industry
- Unique platform to present state-of-the art technology and innovation around Asia
- Leading companies of mechanical processing technology and particle analysis
- Direct communication with decision makers and experts
- Face to face discussions with technical specialists in the professional supporting program
- High value stand design and services
- IPB commits itself to the observation and adherence to IPRs and will support exhibitors in case of trade mark infringements during the show

POWTECH展会全力支持

POWTECH是世界领先的国际机械加工及分析技术专业展览会，在粉体、颗粒、散装固体技术以及纳米技术领域具有全球的影响力。2008年，展商超过1,000家，观众人数达到15,117。POWTECH作为德国纽伦堡展会公司颇为成功的项目，必将对中国的IPB展会形成良好互动，为中国的粉体和散装技术发展起到积极的推动作用。

Powered by POWTECH

POWTECH is the world's leading exhibition for the whole field of mechanical processing technologies and particle analysis. It is widely known as the event for presenting and discussing innovations and doing real business – with resounding success.

展商评语

上海世控精密设备有限公司
沈家弘 先生，市场部经理

“2008年的IPB是一次非常专业的展会。我们参加这次展会是因为我们的客户都在这里。观众质量很高，还有很多国际企业的中方代表。很高兴这次带了这么多机器来，因为它们十分抢眼，吸引了很多观众。”

Hoerbiger Ventilwerke
Johannes Besau 先生，重点客户经理

“可以看到，中国这里十分重视防爆和安全，尽管和在我们欧洲一样，这点还没有受到法律的规范。由此看来这里的需求还很大。我们在现场展示的防爆演习观众很多，而且很生动地将这一主题解释给大众。我们对展台的访客数量也很满意。总体上，专业观众比以往增加了。我们对这次展会的主办方纽伦堡会展公司也十分满意，他们在许多细节上体现得非常专业。”

株式会社清新企业
李为杰 先生，销售工程师

“展览非常成功！我们见到了大量来自业内的客户，其中不少是新客户。我们的客户主要来自日本、德国和许多其它国家。明年我们肯定会带来更多的机器，因为我们希望在会后有大量的业务接踵而来。我们在展会现场就签下了订单！”

Exhibitors statements

Global Equipment Corporation
Mr. Glen Shen, Marketing Manager

“IPB 2008 was a very professional show. We attend the show because all our customers are here. The quality of the visitors is very good. There are also a lot of Chinese representatives from international companies. We are glad we brought so many machines this year, because they seem like good eye-catchers and attract visitors.”

Hoerbiger Ventilwerke
Mr. Johannes Besau, Key Account Manager

“It is clear that explosion protection and safety is really important here in China, although it is not legally regulated as in Europe. Therefore, there is still great need to meet people. The live explosions we demonstrated at IPB attracted a lot of people and demonstrated the issue vividly. We are very satisfied with the number of visitors at our stand, but we still have to wait for the analysis to evaluate the contacts. Generally speaking, there were certainly more professional visitors. We are also satisfied with the organization of this event by NürnbergMesse, whose professionalism is reflected in small things, such as the uniform stand labels.”

SEISHIN Enterprise
Mr. Li Wei Jie, Sales Engineer

“Very good show! We met a lot of customers from the industry and some of them were new. We had guests from Japan, Germany and lots of other countries. Next year we'll definitely bring more machines, because we expect a lot of follow-up business. One contract was even signed at the show!”
