

Frigate had an active participation in the 5th India-Africa Conclave organized by CII (India) on 23rd/24th March, 2009.

Frigate had an opportunity to meet many potential clients in the B2B sessions.

Seen in the picture (on the left) is the concept presentation for a mini cement plant (based on VSK Technology) to a delegation from Burkina Faso

At the end of the B2B session, Frigate Signed a long term contract with the ERO Group of Burkina Faso for supply of:

- Mini Cement Plants (50 - 300 TPD Capacity) based on VSK Technology
- Mini Integrated Steel Plants (30 TPD) based on Sponge Iron + Pelletization Technology
- Support to West African countries by supply of Bulk Cement, Clinker, etc

The contract signing ceremony was attended and validated by the Embassy of Burkina Faso at new Delhi (India).
