

**MCGM' 2014****ANNOUNCEMENT AND CALL FOR PAPERS**

THE 10<sup>th</sup> INTERNATIONAL CONFERENCE ON MEASUREMENT AND CONTROL OF GRANULAR MATERIALS (MCGM 2014)  
**October 24-26, 2014 Xiamen, China, <http://www.ifmcmg.com>**

**INTRODUCTION**

The 10<sup>th</sup> International Conference on MCGM will be held in Xiamen, China from October 24–26, 2014. It will be a milestone of MCGM development for IFMCGM to have the 10<sup>th</sup> International Conference in its own field. The MCGM Conferences have experienced for 25 years long history since the first one was opened in 1988 in Shenyang, China, and attendees from 18 countries at the First Conference sponsored and then set up the International Federation of Measurement and Control of Granular Materials (IFMCGM) commonly. Nowadays, they have united as a global academic organization keeping at their research works and scientific projects with their perseverance and achieved the great results in their research areas. MCGM field has concerned with many other sciences and promoted the industries development and growth of world economies. More and more researchers and scientists and also enterprises have had their great attentions to surmount practical difficulties in this field. It is known that MCGM field has globally become an important multi-purpose science and MCGM Science will have bright future. IFMCGM warmly welcomes more and more researchers, experts and professors attending the 10<sup>th</sup> International Conference on MCGM2014. There will be academic exchanges and exhibitions for attendees to present their papers and show newest products in MCGM field.

Xiamen is the modernized and most beautiful city in China and has the famous historic sceneries and tourist landscapes there.. Hundreds of thousands of travelers from all over the world are visiting there everyday in whole year. You will have a splendid opportunity to experience the perfect blend of modern Chinese cultures when staying in Xiamen. You will be the most honorable guests of Xiamen's people during the Conference. It can be firmly believed that the MCGM2014 Conference will be a successful one! Looking forward to seeing you in Xiamen, China! For more information about Xiamen City, please see the sites:

**ORGANIZING COMMITTEE**

**SPONSOR** International Federation of Measurement and Control of Granular Materials ( IFMCGM )

**CO-SPONSORS**

Chinese Society of Particology, China

Society of Powder Technology, Japan

The Chinese Society for Measurement, China

China Instrument Society, China

The Architectural Society of China

Korea Association of Powder Process Industry and Engineering

Center for Bulk Solids and Particulate Technology, Australia

Chinese Ceramic Society, China

Institute of Powder Technology, Tsinghua University, China

Korean Powder Metallurgy Institute, Korea

Research Center for Applied system Safety, Germany

Xi'an University of Architecture and Technology, China

Shenyang Society for Science and Technology, China

**ORGANIZERS:** Xiamen University, China, Tsinghua University, China

**CO-ORGANIZERS:** Leeds University, UK; Northeastern University, China.

**HONORED CONSULTANT COMMITTEE**

Prof. J. Coulthard (UK)

Mr. Kinnosuke Watanabe (Japan)

Prof. Paolo Massacci (Italy)

Prof. Wang Shimin (China)

Prof. Hiroaki Masuda (Japan)

Prof. J.S.O. Adeniyi (Nigeria)

Prof. Habib Kallel (Tunisia)

Prof. Zhixian Jin (Academic Consultant, China)

**PROGRAMMING COMMITTEE**

Prof. Xie Zhi (Chair, China)

Prof. Ning Li (Vice-Chair, China)

Prof. Nengming Jin (Vice-Chair, China)

Prof. Mark G Jones (Vice-Chair, Australia)

Prof. Shuji Matsusaka (Vice-Chair, Japan)

Prof. S. Radandt (Vice-Chair, Germany)

Prof. Guosheng Gai (Vice-Chair, China)

Prof. Xue Z. Wang (Vice-Chair, UK)

Dr. Yao Jun (Member, China)

Prof. Fuli Wang (Member, China)

Prof. Byung Ki Kim (Member, Korea)

Prof. In Shup Ahn (Member, Korea)

Prof. Renliang Xu (Member, USA)

Prof. Cai Xiaoshu (Member, China)

Prof. WooSik Choi (Member, Korea)

Dr. Jian-Yong Zhang (Member, UK)

Prof. Su-Gen Lim (Member, Korea)

Prof. Li Xinguang (Member, China)

Prof. Stefan Luding (Member, Netherlands)

Prof. Yasushige MORI (Member, Japan)

Prof. Floriana La Marca (Member, Italy)

Prof. S. Shimamura (Member, Japan)

Dr. Albrecht Volg (Member, Germany)

Dr. Jianye Shi (Member, Germany)

Dr. Ying Ci (Member, China)

Prof. Peter Siegel (Member, Chile)

Dr. Bin Chen (Member, Australia)

Dr. Shengjun Zhong (Member, China)

Prof. Gang Li (Member, China)

Dr. Dong Qingyun (Member, China)

Dr. Wang Yutao (Member, China)

**ORGANIZING COMMITTEE**

**Secretary-General:** Li Xinguang

**Vice Secretary General:** Yao Jun

**Members:** Ci Ying, Mei Guohui, Ren Chunli, Zhao Hongmei, Li Yunna, Jin Zhixian (Consultant)

## FIELDS OF PAPERS CONTENT (TOPICS)

1. All measurement on granular materials, powder, lump, pulp, etc:  
Temperature, Density, Pressure, Humidity, Flow, Viscosity, Velocity, Turbidity, Level, Size, Weight, Shape, Moisture, Composition, etc.
2. Mining and Mineral: Material handling, Grinding, transportation, Classifying, Mining Equipment, Flotation, Crushing, etc.
3. Metallurgy: Material Preparation, Pyrometallurgy, Sintering, etc.
4. Cement and Ceramic: Materials preparation, Roast, Forming, Packing, Staving, Firing.
5. Coal Processing: Pulverization, Transportation, Fluidizing, etc.
6. Nanomaterials Preparation, Processing and Testing
7. All process Control of Coal, Oil, Chemistry, Medicine, Food, Grain, Textile, Paper Making, Water & Air Treatment, Dust & Powder Treatment;

## ABSTRACTS AND FULL PAPERS

The abstracts should include: The title of paper, name(s) of the author(s), mail and e-mail addresses and fax number. A full paper should have more than 4 pages. The abstract (400-500 words and more than 5 key words) and full paper should be written in English and be sent to the following address:

Prof. Zhixian Jin

MCGM '2013 Secretariat P.O.Box 321, Northeastern University, Shenyang, 110004, China Tel.:+86-24-83689395, 13236632898 Fax: +86-24-23891977, And E- files of abstracts and full papers should be mailed to following E-mail: mcgm\_2006@yahoo.com.cn or mcgm2012@126.com

**LANGUAGES** All abstracts and papers should be written in English, but Chinese, English, Japanese and Korean can be spoken at the conference site and in exhibition for trade and introduction to products.

Measuring and Testing of Dust Explosion and Prevention

8. Measurement Instruments, Sensors, Devices and Control Systems in MCGM field

9. Measurement & Control of Dusts and Powders in Air and Waters Pollution.

10. Measurement of Powder Explosion and Safety Science and Technology.

## EXHIBITIONS

All sensors, devices, instruments for detecting, testing and measurement and control systems for manufacturing, transportation and delivery processes can be shown in the conference sites. Many factories in China and from abroad will exhibit their products.

## DEADLINES-

--Submission of abstract:10 Aug.,2014;

---Preliminary Acceptance: 20 Aug.,2014;

—Submission of full paper:30 Aug. ,2014

## POST CONFERENCE TOURS

1.Xiamen Area(3 Days); 2.Beijing (3 days); 3. Hangzhou (3 days) (To be planned later)

## INQUIRIES

All information should be sent to:

# 第十届中国粉体检测与控制学术会议 (MCGM2014) 征文通知

(详细内容请参考英文通知) <http://www.ifmcgm.com>

您好!自1988年召开“第一届国际粉体检测与控制学术会议”以来,粉体检测与控制领域经二十五年的发展已经形成了仪器仪表、自动控制和颗粒技术三大学科交叉的重要学科领域。它已涉及并促进了冶金、建材、煤炭、电力、机械、石油、化工、陶瓷、医药、食品、纺织、超导、航天及军事等诸多工业部门的技术进步和产业发展,得到了巨大的经济和社会效益,受到国内外专业人士的高度重视。国际粉体检测与控制联合会(IFMCGM)是经我国国务院批准于1996年正式成立并设立在我国的重要国际学术团体。秘书处设在中国东北大学(沈阳)。根据国际粉体检测与控制联合会章程精神,联合会秘书处已经开始组织和筹备“第十届中国粉体检测与控制学术会议”(The 10<sup>th</sup> International Conference on Measurement and Control of Granular Materials, MCGM2014),并拟于2014年10月24日至26日在中国厦门大学举行。联合会热烈欢迎国内外同行学者、专家、研究人员、工程技术人员、研究生和博士生踊跃投稿和参加会议。

**发起单位:** 国际粉体检测与控制联合会(IFMCGM); **共同发起单位:** 中国颗粒学会、中国仪器仪表学会、陶瓷学会、冶金自动化学会、清华大学粉体研究中心、澳大利亚New Castle大学块状粉体技术中心、德国粉尘爆炸中心、沈阳市科学技术协会等。

**主办单位:** 厦门大学、清华大学 **协办单位:** 英国Leeds大学、东北大学

**征文范围、来稿要求、投稿方式、摘要与全文截止日期:** (详细参考英文通知)。

**论文检索:** 凡大会上发表的论文将登载在国际期刊“Advanced Materials Research”(正刊),全部论文将EI检索。论文版权归国际粉体检测与控制联合会秘书处所有。

**联系人:** 国际粉体检测与控制联合会秘书处 金智贤 姚军(厦门大学)
